

COMMERCIAL OFFICE CLEANING

ST SWITHIN'S LANE, LONDON

A full office clean carried out at a central London workspace, preparing the environment for daily use and ongoing operations.

WHAT THE CLIENT NEEDED

The client required a thorough clean across their office floors, meeting rooms and shared areas, ensuring the space was presentable, hygienic and ready for staff.

Work was scheduled to minimise disruption to the working day.

HOW WE DELIVERED

OUR TEAM COMPLETED A DETAILED
CLEAN ACROSS ALL KEY AREAS,
INCLUDING:

- Open-plan workstations
- Meeting and conference rooms
- Breakout spaces and kitchens
- Floors, surfaces and high-touch points

All work was carried out with attention to detail
and site safety in mind.

ATTENTION WHERE IT MATTERS

- Desks and workstations cleaned and reset
- Floors vacuumed and spot cleaned
- Kitchen areas sanitised
- Meeting rooms left clean and ready for use

A consistent standard was maintained throughout the space.

05/06

A WORKSPACE READY FOR USE

The office was left clean, organised and ready for staff to return.

The result was a professional working environment that supports productivity and day-to-day operations.

RELIABLE COMMERCIAL CLEANING

We provide regular commercial cleaning services across London, tailored to each workspace and schedule.

If you are looking for dependable office cleaning support, our team is here to help.
