**BOW
LANE**

PROJECT OVERVIEW:

Simplicity Services was appointed to carry out a detailed clean of a commercial workspace ahead of use.

The space included open plan offices, meeting rooms, kitchen facilities, washrooms and communal areas, all requiring a high standard of finish.

SCOPE OF WORKS:

- Cleaning of desks, workstations and meeting tables
- Detailed cleaning of kitchen and breakout areas
- Full washroom cleaning and sanitisation
- Internal glass, partitions and touchpoint cleaning
- Floor cleaning across carpeted and hard flooring areas
- Final presentation clean to ensure the space was ready for occupation

THE RESULT:

The workspace was left clean, fresh and ready for immediate use. The finished environment reflects a professional standard, supporting productivity and providing a welcoming space for occupants and visitors alike.

Our experienced team delivered the clean efficiently and with close attention to detail across all areas.
